

PCYC 2008 HAULOUT SCHEDULE

Current as of FRIDAY October 3rd @ 2:30 P.m.

The Schedule is shown for your information and is accurate only at time of publication. The Haulout Schedule is usually posted to the website Monday mornings.

During HAULOUT periods, as per the Occupational Health and Safety Act, children are not allowed in the boat yard and haulout area.

1. Search for your boat's name to see if you are pre-scheduled, if not page down to the date YOU would like to haul your boat and un-step your mast.

Although the time slots are in 15 minute intervals, you may require 2, 3, or 4 slots depending on a factor assigned to your boat by the Harbourmaster.

Shaded time slots in the schedule are already taken.

2. Call the Communications Centre at (905) 278-5578 or E-mail to davids@pcyc.net to book and **confirm** your haulout or mast un-stepping date and time.

NOTES:

1st - All dates and times are subject to weather conditions.

Your scheduled Haulout may not take place unless it is safe to do so, as determined by the Harbourmaster.

2nd - Please make sure you have your insurance up to date and on file with us.

Without insurance **you will not** be hauled. If you do not have a current certificate of insurance on file with the Club, send or fax your documentation to Suzette Newton, (FAX No. (905) 278-2519).

3rd - You must assemble your cradle prior to your scheduled haulout time.

4th - You or your designate must attend the haulout or you will not be hauled. It is recommended that you be on site at least 1 hour before your scheduled time.

5th - **Dates by which boats are to be hauled:**

Reciprocal boats must be hauled on or before Monday October 20th.

Members with other than very large boats, on or before Sunday October 26th.

Members with very large boats, as scheduled by the Harbourmaster, for haulout between October 27th and October 31st.

Haulout is scheduled so that no boats will be hauled out after October 31st.

PCYC 2008 HAULOUT SCHEDULE

Current as of **FRIDAY October 3rd @ 2:30 P.m.**

Date: Saturday October 4
